## Dr. Sanjay Kulkarni President

I welcome you to Pune, India for this Live reconstructive workshop. Every one of you are doing well in the surgical craft of urethral and upper tract reconstruction. We bring you the latest technique and updates in the reconstruction. It is our honor to have Dr Mundy and Dr Barbagli, who have devoted their life to recon, showcase their skills at our workshop for the benefit of all of you. Dr Miro and Dr Tariq, Dr Lee and Dr Dimitry will demonstrate simple as well as complex surgeries. Make the most of it.

## Dr. Pankaj Joshi Organising Secretary

We welcome you to Pune, India. ISORU conducts Live urethral reconstruction workshops around the world. We bring you the best of best in Recon world. This year we will focus on reconstructive surgeries including robotics and upper tract reconstruction. Welcome to recon world.
